To Whom It May Concern,

My name is Jennifer van Grieken and I am the Middle School Principal at the International School of Curaçao. I highly recommend Victor Boulanger as a candidate for a teaching position. I have known Victor for the past five school years as a colleague of mine here at the International School of Curacao. He is one of the most dedicated teachers I have ever met. Victor has a wonderful rapport with the students at our school. His ability to connect with his students and his talent at teaching are both truly superior. He has excellent written and verbal communication skills, is extremely organized and reliable. Victor is able to follow through to ensure that the job gets done. He accomplishes any task with great initiative and with a very positive attitude. Another strength of Victor's lies in his delivery of instruction. He has a gift for communication and the ability to articulate concepts to the variety of levels of students who attend ISC. With clear, concise explanations he breaks down complex instructions for the multi levels represented in his classes so that students are able to understand and reach their objectives. His lessons are always meaningful and enjoyable for the students; he plans activities that make each lesson at hand relatable. Victor is also sensitive to the needs of his students, especially to our ESL and Learning Resource students, and makes appropriate changes in his teaching if necessary.

Victor has also been very active in providing training for our staff, as well as other members of our community. Throughout the years, he was in charge of our online curriculum and making sure teachers know how to work with it. Victor also provided seminars for both teachers and parents on understanding social media. He has also been the advisor to our annual yearbook for a number of years. This proves when asked to assist with any task, Victor is always willing to be an active participant.

Victor has a very pleasant and genuine personality. He is consistently upbeat and brings positivity to the departments within he is working. If he ever has a concern, he brings it forth with possible solutions prepared.

It is for these reasons that it is my honor to recommend Victor Boulanger. If you have any questions, please feel free to contact me at school or via email.

Sincerely,

Jennifer van Grieken
